Ahoy, mates!! I hope that you have enjoyed this the third issue of the USS Sea Poacher newsletter. It's been my pleasure to bring it to you.

In the last edition we asked what your preferences were regarding the frequency of publishing. The answer, although not overwhelming, was that quarterly seemed to prevail.

So, the next edition will be on Oct.1 and will be sent, in printed form, to only those who do not have email. All others will receive theirs via the internet, unless otherwise requested, with instructions on how to view. You may also print this file to your own printer if you desire. A copy will also be posted on our web site.

Memorial Fund

There will be a very special raffle drawing at the banquet. This is a commissioned oil painting to help fund the Memorial Fund. What is the Memorial Fund you ask?

Well, beginning in January of this year we began a new program whereby a memorial plaque was presented to the next of kin of those who passed on.

Those who received this honor was the widow of Ken Lofland and the children of Louis Sardo.

In the case of Louis Sardo, who happened to reside in Lakeland, Florida where I also live, I attended his memorial service and presented the plaque personally to his four children. They were very appreciative of our effort and as it happened I was the only shipmate of Louis's in attendance.

On Jon Nagle's suggestion, we would like for this to happen in each future case. We will be calling upon our shipmates to do this honor, on the behalf of your association. After all, how else can we honor our departed shipmates.

The process of contacting you has been truly an honor for me. I was very uplifted by the comments and reactions of so many of you. We now have contacted 500 former Sea Poacher sailors, and I am eager to meet you all and to renew friendships with former shipmates.

SEE YA'LL AT THE REUNION IN SEPTEMBER!!

Reunion Update

**By Bill Brinkman
President, USS Sea Poacher Association**

The reunion planning is in the capable hands of Cal Cochrane, Jerry Coutu, Bill Luttrell and Alen Katen, among others. Cal is sponsoring a free afternoon cook-out at his house in Mt. Pleasant, on Thursday from 5 to 8 p.m. He reports that he knows where to get free beer. I'm sure we'll all want to quiz him to find his source! Shuttle service will be provided for you or you may drive yourself. (Plenty of parking). Directions will be in the Hospitality Room

The Reunion Hotel is the Holiday Inn at MT Pleasant, SC (1-800-290-4004). There have been 50 rooms reserved at \$ 89/night (plus taxes). These rates will be honored for 2 days before and 2 days after our reunion (Sept 29-Oct 2). Be sure to tell the hotel that you're with the USS Sea Poacher SS 406 Association.

Also there is a KOA Campground 8 miles from the Hotel (843-849-5177 for reservations). Jack Merrill has already made his reservation and he says for you to mention the Sea Poacher and they will try to keep you all together. You should do it soon though.

We'll open the Hospitality Room in the Holiday Inn that evening. It's ours until Noon on Sunday.

At 9:00 in the morning on Friday, October 1st, the Reunion Committee has arranged for us to have a private tour of the Confederate Submarine, the CSS Hunley. This is a real great deal and a very historic event. There will be a \$15 charge per person. Right now, the afternoon is free to tour Charleston or perhaps golf.

Allen Katen, MM62-63, agkaten@earthlink.net or (843-824-8406), is heading up the Golf Outing. Allen also needs a head-count as the courses get booked well in advance in Charleston. There is a place on the Registration Form to indicate whether you would like to play.

We'll have a barbeque & smoked chicken dinner from 5 to 8

pm at the Sullivan's Island Fish Shack. The cost is \$11.00 per person. We must have a head count, so please indicate your selection for food choice (barbeque or chicken) on the Registration Form on Page 2..

The Business Meeting will be held this night, time to be determined. There will also be a 50:50 raffle.

We've rented the Auditorium at Memorial Point for Saturday, October 2nd for a 10 AM Memorial Service. We'll have the "Tolling of the Bells" for the 52 Submarines lost in WW II and also for the USS Thresher and USS Scorpion lost in 1963 and 1968. In addition, the Association will have a ceremony for all our USS Sea Poacher shipmates on eternal patrol, found up to September 2004. At subsequent reunions, we'll have ceremonies for those found after September 2004.

The Association has purchased a ships bell surrounded by two dolphins and engraved "USS Sea Poacher" .

We'll have lunch on the USS Yorktown, You may choose to eat in the CPO Mess for \$14.00 a person or you may eat at the restaurant there, at Patriot's Point, for \$7.29 per person. Again a head count is needed (please, see Registration Form on Page 2). You may also want to try any of the great restaurants in the

Harrowing Dive

By Bill Brinkman, EM 60-62

We did have a harrowing dive in 1961. An order to trim the boat, after being in port a week, was to pump 10,000 pounds of ballast to our forward most bow buoyancy tank. The original calculations said it should have been 1,000 pounds.

So, as we made the initial dive, the box went down 45 degrees (normal is 15 degrees). Many bad things happened at 45 degrees: all four engines dumped their engine oil, the batteries spilled their battery acid, a 150 pound mixer sheared its bolts and nearly killed the cook, all liquids and many of us started sliding forward towards the bow, which further aggravated our trim.

But the worst problem was that our AC Motor Generator sets tripped off. Thus, the speed orders to go to "All Back emergency" was never received in Maneuvering Room. At 45 degrees, the submarine is unstable. That is, there is no guarantee that the bow will rise if you blow bow buoyancy tank with our compressed air supply. Our Diving Officer had "mentally checked out" with all the reports coming in with no good news and only more problems. In the midst of this chaos, the Executive Officer (#2 in command), worried about the 45 degree instability problem, ordered our air manifold operator, Leonard 'Roach' Rozzell from Paterson, NJ "not to blow the tanks".

Roach replied "Don't blow, aye, sir" as he was opening all the air valves to every buoyancy tank on the boat. We rapidly went up to 45 degrees, popped out on the surface and were dead in the water. It took 4 hours to put oil back in the four diesel engines, battery water in the batteries, calm down the cook, etc.

In the meanwhile, the Captain called Roach into his cabin and asked him why he disobeyed the Exec's order not to blow the tanks. "Well, Captain, I figured out that I could either be a dead good sailor on the ocean bottom, or an alive court-martialed sailor on the surface!" The Captain then told Roach, "Good work, and by the way, they'll nbe no court-martial."

This story shows that on submarines, one man at the right spot doing the right thing can save all 100 of his shipmates.

The Captain instituted new procedures after this near miss. At 15 degrees down angle, all watch keepers were to don the sound powered headset telephones to receive commands. At 30 degrees, we electrician mates were to automatically go to a "All Back emergency" to pull the sub back to the surface – backwards.

David (Buster) McCollum QM 62-63 and David L. Stoner IC 62-63, with afterdeck spread. Must have been chipping paint. (Circa 62-63)

Once while doing these practice maneuvers, myself, as senior controllerman and "Ski" Sokolowski, from Sandusky, Ohio, as junior controllerman, stood by like Olympians waiting for the "All Back Full" order. When it came we moved the "sticks" and controlled the batteries rheostats in record time. We were able to bring the boat out of the water backwards. When the screws broke the surface, they no longer had the water resistance to control their RPM's and so all that horsepower (3,000) successfully dislodged dirt, shot cork lining around, and broke light bulbs. We immediately got the "All Stop" order, and no more drills for the day!

A Vanderwerker tidbit

Jess Lee remembered a time that Artie Piazza was sitting in the crew's mess when Gunner walked by and snatched Artie's false teeth out and threw them in the mess decks shit can. It happened so fast that Piazza didn't have a chance to do anything. Gunner hauled ass for maneuvering room and Artie followed after retrieving his teeth.

He also rememberd the Sea Poacher stock car racing days at Stock Island. Gunner apparently drove a car that he paid \$15 for, and he won a lot of races with it.

FINAL PATROL

I have one consolation that lives
with me today.
That God is near to them, in his own special way.
So, God in all Your mercy, keep near Thyself the soul,
Of every Submariner, still on his final patrol.
Lord, these departed shipmates, with dolphins on their chests
are part of an outfit known as the best.
Make them welcome and take them by the hand.
You'll find without a doubt they were the best in all the land.
So, heavenly Father add their names to the roll of our
departed shipmates still on patrol.
Let them know that we who survive
will always keep their memories
alive.

WW II Registry

There is a WW II Registry, [http:// www.wwiimemorial.com](http://www.wwiimemorial.com) for honoring WW II Sailors. Many thanks to Rick Smock, HM 67-69, rick-smock@pacbell.net for adding all of our WW II shipmates to this registry. WW II shipmates can add their names to this list free of charge and their photo may also be added for \$10 .

Muster Lists

We have purchased the muster lists for all 25 years of Sea Poacher's service (1944-1969).

.Check out the website for "Personnel List" as Jon Nagle has posted the Muster lists on the website.

Newsletter #2 had the muster lists up to 1953 included as a special pull-out section and. this edition includes years 54 through 62 with the remainder to be printed in the next issue. Officer names weren't recorded until March 1957. Usually, we have the CO and XO names from the enlisted Muster Lists. Many of you have old Ship's Party or Thanksgiving or Christmas Menus which state the Officers names. Thanks to Chuck Donnelly cwdonnelly@paonline.com EN 48-51 for sending the officer names from 1948-1949. If you know missing officer names, please contact me or Jack Merrill. Many thanks to those of you who stepped forward and took on the responsibility of purchasing the muster lists. Each year cost \$35. Well done!!!

Ship's Store Items

We just received our third order of Hats and Patches, very popular

items. Also, we've sold 44 Afghans and only have 9 left unsold. See newsletter #2 for the order form and pictures of the 3 items. See Ship's Store ad on Page 4.

Welcome

For all of you recently found by Jack Merrill, I welcome you back to the USS Sea Poacher. For our first reunion last October, we had about 70 shipmates located, with 35 attending. Our goal this year was to locate about 140 by this coming reunion in Charleston. Obviously, we've shattered that goal all ready. Be sure to send both Jack Merrill and Jon Nagle your stories and pictures. Let us know if we can help you. You can also help us, by telling us of other shipmate locations and sending us all your information (address, e-mail, tel. #, wife's name).

See you in Charleston September 29!!!
